Use of Math Resources

- Our school uses a variety of resources to engage our pupils.
- Math lessons would involve the use of
 - hands-on activities (e.g. manipulatives, peer and self-assessment tasks); and
 - ICT tools (SLS, Koobits), on top of coursebooks and activity books.
- We will be sharing the pages of the coursebook that they can revise at home at the end of each topic via Class Dojo.
- We seek your support to work with your child/ward to develop self-directed learning and revision at home.
- Thank you very much!
