

26 January 2026

Dear Parents/Guardians,

This letter provides information about the assessment in Semester 1 for the Primary 3 students and our continued commitment to holistic student assessment.

### **Weighted Assessment 1 in Term 2**

1. Assessments are designed to support the holistic development of our students. To support a smooth transition from lower primary, Primary 3 students will receive feedback on their learning through formative assessments.
2. They will only take their **first Weighted assessment (WA) in Term 2** and continue with WA2 in Term 3 and the End-of-Year Examination (EYE) in Term 4.
3. To keep assessments manageable, your child/ward will have no more than one WA per day. Subject teachers will share assessment details at least two weeks in advance.
4. Please refer to Annex A and B for more information on WA1.

### **Attendance during Assessment**

5. Students must arrive on time for all assessment papers. Students who are late will not be granted additional time to complete their assessments. This policy underscores our commitment to developing personal responsibility and the importance of punctuality.
6. If your child/ward is unwell or unable to attend a WA or EYE paper, you must submit a valid medical certificate to justify the absence. Please be advised that medical certificates (MCs) from Traditional Chinese Medicine (TCM) practitioners and parent/guardian letters will not be accepted.
7. The school will not conduct make-up sessions for any missed assessments, except for EYE Oral Examination in Term 4.
8. Students who fail to provide valid documentation for their absence will be awarded zero marks for the missed assessment.

## **Holistic Development Profile (HDP)**

9. The Holistic Development Profile (HDP) provides a complete picture of your child's educational journey at AMKP. Going beyond academic grades, the HDP captures meaningful learning progress in two key areas based on your child's daily classroom activities, interactions, and teacher observations:
  - a. **Learning Dispositions (LDs)** - The positive behaviours and attitudes that help foster joy for lifelong learning.
  - b. **Personal Qualities (PQs)** - Character traits aligned with our school values aimed at developing your child into a confident person and caring citizen.

## **Four Levels of Attainment**

10. There are four levels of attainment for LDs and PQs – *Rising, Glowing, Sparkling and Shining*. These levels embody our school motto of "*Rise and Shine*" and represent the journey of growth and illumination. The progression from "*Rising*" to "*Shining*" mirrors every child's learning journey at AMKP - starting with the courage to rise and grow, ultimately reaching the point where they shine with confidence, knowledge, and character. Each level celebrates progress, encouraging every child to continue rising towards their own moment to shine. Please refer to Annex C and D for more information.
11. We hope this complete picture of your child/ward's development will help you have meaningful conversations with our teachers and how we can work together to support your child/ward's continued growth and learning.
12. For any queries, please contact your child's/ward's Form Teachers or our covering Year Head, Mr. Cavin Lee at [lee\\_chun\\_wan\\_cavin@moe.edu.sg](mailto:lee_chun_wan_cavin@moe.edu.sg) or Assistant Year Head, Mdm. Nooraisha at [nooraisha\\_mohamed\\_ibrahim@moe.edu.sg](mailto:nooraisha_mohamed_ibrahim@moe.edu.sg).

Yours sincerely,

Mr. Muhammad Farizal

Principal
